# Wintonbury Hills GOLF COURSE

## National Golf Month

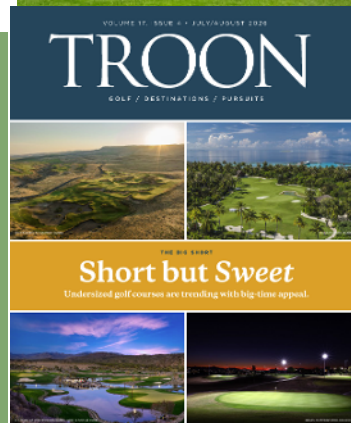

August is National Golf Month, a celebration of the game we all love! Created by the PGA of America, National Golf Month was established to promote golf as a fun, welcoming, and family-friendly sport while inspiring new players to pick up a club for the first time. With long summer days and beautiful weather, there's no better time to hit the course. We look forward to seeing both familiar faces and first-time golfers out on the fairways this month!
